

entity to provide protection and advocacy services, pursuant to § 345.30(b)(12)(ii).

(Authority: 29 U.S.C. 2213 (d) and (e); section 103 (d) and (e) of the Act).

Subpart D—How Does the Secretary Make a Grant?

§ 345.40 How does the Secretary evaluate an application for a development grant under this program?

The Secretary evaluates each application using the selection criteria in 34 CFR 75.210.

(Authority: 29 U.S.C. 2212(a); section 102(a) of the Act)

§ 345.41 What other factors does the Secretary take into consideration in making development grant awards under this program?

In making development grants under this program, the Secretary takes into consideration, to the extent feasible—

- (a) Achieving a balance among States that have differing levels of development of consumer-responsive comprehensive statewide programs of technology-related assistance; and
- (b) Achieving a geographically equitable distribution of the grants.

(Authority: 29 U.S.C. 2212(c); section 102(c) of the Act)

§ 345.42 What is the review process for an application for an extension grant?

(a) The Secretary may award an initial extension grant to any State that—

- (1) Provides the evidence described in § 345.6(b) and makes the demonstration described in paragraph (a)(2) of this section;
- (2) Demonstrates that the State has made significant progress, and has carried out systems change and advocacy activities that have resulted in significant progress, toward the development and implementation of a consumer-responsive comprehensive statewide program of technology-related assistance, consistent with this part; and
- (3) Holds a public hearing in the third year of a program carried out under a development grant, after providing appropriate and sufficient notice to allow

interested groups and organizations and all segments of the public an opportunity to comment on the program.

(b) The Secretary may award a second extension grant to any State that—

- (1) Provides the evidence described in § 345.6(b) and makes the demonstration described in paragraph (a)(2) of this section;
- (2) Describes the steps the State has taken or will take to continue on a permanent basis the consumer-responsive comprehensive statewide program of technology-related assistance with the ability to maintain, at a minimum, the outcomes achieved by the systems change and advocacy activities;
- (3) Identifies future funding options and commitments for the program from the public and private sector and the key individuals, agencies, and organizations to be involved in, and to direct future efforts of, the program; and
- (4) Holds a public hearing in the second year of a program carried out under an initial extension grant, after providing appropriate and sufficient notice to allow interested groups and organizations and all segments of the public an opportunity to comment on the program.

(c) In making any award to a State for a second extension grant, the Secretary makes an award contingent on a determination, based on the on-site visit in § 345.53, that the State is making significant progress toward development and implementation of a consumer-responsive comprehensive statewide program of technology-related assistance, except where the Secretary determines that the on-site visit is unnecessary. If the Secretary determines that the State is not making significant progress, the Secretary may take an action described in § 345.61.

(Authority: 29 U.S.C. 2213 (b) and (e) and 2215(a)(2); sections 103 (b) and (e) and 105(a)(2) of the Act)

§ 345.43 What priorities does the Secretary establish?

(a) The Secretary gives, in each of the 2 fiscal years succeeding the fiscal year in which amounts are first appropriated for carrying out development grants, priority for funding to States that received development grants

under this part during the fiscal year preceding the fiscal year concerned.

(b) For States that are applying for initial extension grants, the Secretary gives, in any fiscal year, priority to States that received initial extension grants during the fiscal year preceding the fiscal year concerned.

(c) The Secretary may establish other appropriate priorities under the Act.

(Authority: 29 U.S.C. 2212(b)(4) and 2213(c); sections 102(b)(4) and 103(c) of the Act)

Subpart E—What Conditions Must Be Met After an Award?

§ 345.50 What are the reporting requirements for the recipients of development and extension grants?

(a) States receiving development and extension grants shall submit annually to the Secretary a report that documents significant progress in developing and implementing a consumer-responsive comprehensive statewide program of technology-related assistance documenting the following:

(1) The progress the State has made, as determined in the State's annual assessment (consistent with the guidelines established by the Secretary under § 345.51) in achieving the State's goals, objectives, and outcomes as identified in the State's application, and areas of need that require attention in the next year, including unanticipated problems with the achievement of the goals, objectives, and outcomes described in the application, and the activities the State has undertaken to rectify these problems.

(2) The systems change and advocacy activities carried out by the State including—

(i) An analysis of the laws, regulations, policies, practices, procedures, and organizational structure that the State has changed, has attempted to change, or will attempt to change during the next year, to facilitate and increase timely access to, provision of, or funding for, assistive technology devices and assistive technology services; and

(ii) A description of any written policies and procedures that the State has developed and implemented regarding access to, provision of, and funding for,

assistive technology devices and assistive technology services, particularly policies and procedures regarding access to, provision of, and funding for, such devices and services under education (including special education), vocational rehabilitation, and medical assistance programs.

(3) The degree of involvement of various State agencies, including the State insurance department, in the development, implementation, and evaluation of the program, including any interagency agreements that the State has developed and implemented regarding access to, provision of, and funding for, assistive technology devices and assistive technology services such as agreements that identify available resources for, assistive technology devices and assistive technology services and the responsibility of each agency for paying for such devices and services.

(4) The activities undertaken to collect and disseminate information about the documents or activities analyzed or described in paragraphs (a) (1) through (3) of this section, including outreach activities to underrepresented populations and rural populations and efforts to disseminate information by means of electronic communication.

(5) The involvement of individuals with disabilities who represent a variety of ages and types of disabilities in the planning, development, implementation, and assessment of the consumer-responsive comprehensive statewide program of technology-related assistance, including activities undertaken to improve such involvement, such as consumer training and outreach activities to underrepresented populations and rural populations.

(6) The degree of consumer satisfaction with the program, including satisfaction by underrepresented populations and rural populations.

(7) Efforts to train personnel as well as consumers.

(8) Efforts to reduce the service delivery time for receiving assistive technology devices and assistive technology services.

(9) Significant progress in the provision of protection and advocacy services, in each of the areas described in § 345.55(c)(1)(ii).
